1994 Wille-Jørgensen P.

Optimising thrombosis prophylaxis in acute and elective abdominal surgery. Presented at the World Congress of Gastroenterology, October 2-7, 1994, Los Angeles, California, USA.

1993 Kierkegaard A. and Norgren L.

Graduated compression stockings in the prevention of deep vein thrombosis in patients with acute myocardial infarction. European Heart Journal 1993;14:1365-1368

1993 Belcaro G, et al

Prophylaxis of Recurrent Deep Venous Thrombosis. A Randomized, Prospective Study Using Indobufen and Graduated Elastic Compression Stockings. Angiology 1993;9:695-699

1992 Kalodiki E, et al

Low molecular weight Heparin with or without graduated elastic compression in Deep Vein Thrombosis prophylaxis after elective hip replacement. British Journal of Surgery 1992;79,11,1223

1991 Woolson S T, et al

Prophylaxis for proximal DVT after THR by IPC with or without oral aspirin or LDW. Journal of Bone and Joint Surgery 1991;73A:507-512

1991 Lassen M R, et al

Prevention of thromboembolism in 190 hip arthroplasties. Acta Orthop Scand 1991;62(1):33-38

1991 Hansberry K L, et al

A prospective comparison of thromboembolic stockings, external sequential pneumatic compression stockings and Heparin Sodium/ Dihydroergotamine Mesylate for the prevention of thromboembolic complications in urological surgery. Journal of Urology 1991;145:1205-1208

1991 Wille-Jørgensen P, et al

Prophylaxis of deep venous thrombosis after acute abdominal operation. Surgery Gynaecology and Obstetrics 1991;172:44-49

1991 Bailey J, et al

Prospective Randomized Trial of Sequential Compression Devices vs Low-dose Warfarin for Deep Venous Thrombosis Prophylaxis in Total Hip Arthroplasty. Journal of Arthroplasty 1991;6:SA29-35

1990 Sørensen C, et al

Ugeskrift for læger 1990;152:1586-1587

1989 Christensen S W, et al

Acta Orthop Belg 1989;55:58-61

1989 Turpie A G, et al

Prevention of Deep Vein Thrombosis in potential Neurosurgical Patients. Arch Intern Med 1989;149:679-681

1989 Wille-Jørgensen P, et al

Prevention of Thromboembolism Following Elective Hip Surgery Clin Orthop Rel Res 1989;247:163-167

1988 Ibarra-Pérez C, et al

Prevalence and Prevention of DVT of the lower extremities in High Risk pulmonary patients. Angiology 1988;39:505-513

1988 Summaria L, et al

Relationships between post surgical fibrolytic parameter and DVT in surgical patients treated with compression devices. The American Surgeon 1988;54:156-160

Klinisk Referenceliste

1987 Caprini J A, et al

Thrombosis and Haemostasis 1987;58:385

1987 Scurr J, et al

Regimen for improved effectiveness of intermittent pneumatic compression in deep venous thrombosis prophylaxis.

Surgery 1987;102:816-820

1986 Wille-Jørgensen P, et al

Lavdosis-heparin kombineret med enten dihydroergotamin eller graduerede støttestrømper.

Ugeskrift for læger 1986;184:501-511

1986 Wille-Jørgensen P, et al

Graded compression stockings with and without Heparin-dihydroergotermine in prevention of DVT following elective Hip Alloplasty.

Phlebology 1986;1:51-56

1985 Wille-Jørgensen P, et al

Graded compression stockings with and without Heparin-dihydroergotermine in prevention of DVT following Hip surgery.

Presented at Congress of the Union Internationale de Phlebologie, London, September 1985

1985 Fasting H, et al

Prevention of Postoperative DVT lav dose Heparin versus T.E.D.

Acta Chir Scand.1985;151:245-248

1985 Broomé A, et al

A comparison of Dextran versus Acetic Salicylic acid and antiembolic stockings in reducing postoperative DVT.

Presented at the 31st Congress of the International Society of Surgery, Paris, September 1985

1985 Wille-Jørgensen P, et al

Graded compression stockings with and without Heparin-dihydroergotermine in prevention of thromboembolic complications of major abdominal surgery.

British Journal of Surgery 1985;72:579-581

1984 Turner G, et al

The efficacy of graduated compression stockings in the prevention of DVT after major gynaecological surgery. British Journal of Obstetrics and Gynaecology 1984 91;588-591

1983 Nicolaidis A, et al

Intermittent Sequential Pneumatic compression of the legs and thromboembolism - Detterent stockings in the prevention of postoperative deep venous thrombosis.

Surgery 1983;94:21-25

1983 Havig Ø, et al

Comparison TED versus Control (no prophylaxis)

Presentation at the Annual General Meeting of Norwegian Surgeons, Oslo 1983

1983 Borow M. and Goldson H.

Prevention of postoperative Deep Venous Thrombosis and Pulmonary Emboli with combined modalities. Amer. Surg. 1983;49:599

1983 Caprini J A, et al

Thrombosis prophylaxis using external compression.

Surgery, Gynaecology and Obstetrics,1983;156:599-604

1983 Inada K, et al

Post-operative Deep Venous Thrombosis in Japan

American Journal of Surgery 1983;145:775-779
